#### MESSAGE OF OUR PRESIDENT

The College year of 1947-48, the second year of "the new Tyler Junior College," has been a GREAT college year.

In all divisions, more than a thousand students have participated in making this "THE year of Tyler Junior College"—in scholarship, in athletics, and in general college life.

The new College buildings are being erected. The BRADY P. GENTRY GYMNASIUM, the STUDENT CENTER, and the VOCATIONAL BUILDING are already completed. It is expected that by September the other buildings will be ready and the College will move into its complete new plant.

I hope that all Apaches and all Ex-Apaches, whose interest in and effort for the College have contributed so much to its progress, will look forward with us to an even greater Tyler Junior College.

Sincerely,

H. E. Jenkins  
President

## *Treasured Memories*

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are publishing 1948 Annuals for more than 900 Colleges and High Schools. This patronage indicates a wealth of ideas and service which has no doubt made possible the long record of our school annual achievement.
